Policy Council meeting  
at CUI central office  
4 Militia Drive Lexington  
We would love to hear from you! Join other CUI parents and learn about our program and share your thoughts as well!

## OUR LEARNING

### focus...

Our themes for this month are the Fall Season and Harvest.

We are excited to learn about the fall season. Class 1 is going leaf hunting, doing some leaf rubbing, apple tasting and graphing. They are also making their dramatic play into a farmers market. Our books include *Runaway Pumpkins* and *The Little Old Lady Who's not Afraid of Anything*.

Class 2's theme is safety and Fall Harvest. They will be learning all about pumpkins and apples. They will also learn about safe outdoor play. They will learn a new song called "I'm a little pumpkin". Then we will count apples after reading the book, *Ten Apples On Top*. We will have the Librarian from the Carey Lexington library read us a story and tell us about how we can take out books from the library.

The fire department is going to come by for an education program on fire safety.

### Family Engagement

10/11/24 2:15 p.m.

#### **Pumpkin Patch Family Event**

Come enjoy the fall season at our pumpkin patch event! We will paint pumpkins and have face painting! Enjoy some games together and pick out a pumpkin to bring home!

### MARK YOUR CALENDAR:

#### **OPEN AIR MARKET**

On October 16, 2024 Please stop by the front table to pick up a grocery bag full of fresh fruits and vegetables. You can also pick up toiletries and other essentials as well.

#### **Parent meeting: October 17, 2024 1:15-2:15**

We loved seeing all the parents who came to join us last month. We are hoping to have more parents join us this month. Please come and learn about all the things happening at your child's school. Everyone is welcome!

#### **Social Emotional Learning with Ms. Lisa**

Second Step and baby doll groups this month will continue to focus on social emotional skills. Adjusting to the classroom, making new friends, and learning about ourselves.

#### **Parent Workshop October 21, 2024 8:30 am**

After drop off come to the parents workshop to learn about strategies you can use with your child and connect with other parents. Offers simple, proven parenting strategies for families of children 2-5 years' old

### LITERACY CHALLENGE

All month long we will be working towards our literacy challenge! Our goal will be to collectively as a school read 150 books! All you have to do is read a book with your child every day! We will be sending forms home you can fill out and return so you can keep track!
