CLASSROOM 1 PRESCHOOL

This month our friends will be learning about Spring; Planting; Earth Day; Recycle and Week of the Young Child. We will be reading lots of books about the theme. Our dramatic play will be garden shop which the children will be decorating with their art work. Also, we will do the bean experiment. The bean experiment is where we will put a bean on a damp paper towel and watch every day to see if there are any changes and will record their observations.

FAMILY ENGAGEMENT: TAKE HOME

This month's take home family engagement will be a scavenger hunt during spring vacation. Your family can use any outdoor space or nature trails to do it. The teachers will provide the list of your scavenger hunt. After April vacation please bring back the paper and the children will discuss what they saw on their scavenger hunt during circle time.
