

Communities United Inc. – Creative Start Children’s Centers Presents:

Science, Technology, Engineering and Math

Young children enjoy solving problems and exploring the world through science, technology, engineering, and math (STEM). There are fun, easy ways to introduce STEM to toddlers and preschoolers.

EARLY CHILDHOOD STEM EXHIBITION

May 16, 2022– 9:00 AM – 12:00 PM

Please join us for a fun morning of hands-on activities for children ages 1-5.

**This is a free event for families with young children,
community members & partners.*
