Food Insecurity

Since the onset of the pandemic, food insecurity in Massachusetts increased from 9% to over 17%.

Massachusetts experienced the greatest percentage increase in food insecurity anywhere in the nation.

Countries Represented by CUI Children & Families

Food Insecurity

A common challenge for many CUI families, but this year was different...

Due to the COVID-19 pandemic, food insecurity in Massachusetts increased 55% from 2019 to 2020. Food insecurity rates during the pandemic were highest among adults with children. **42% of households with children** experienced food insecurity during the pandemic.

The CUI Food Program

In order to support our children and families, struggling with food insecurity, we quickly mobilized a monthly food distribution program.

Funded by our generous sponsors and donors, **CUI has delivered over 1,500 meals since October 2020**, and we're still going strong!

Program Sponsors include: Books & Bread, Grace Chapel of Watertown, Hope & Comfort, Mildred's Dream Foundation, Saint Bartholomew Catholic Church, Waltham Together

BASIL**

Dave Becker

Dave is the chef and owner of Sweet Basil in Needham. He started his career as a kid growing up in the seaport town of Newburyport, MA. He knew at an early age that the life of a chef suited his energy level perfectly. After high school Becker moved out to Napa Valley, where he honed his craft at Cindy Pawlcyn's Mustard's Grill. From there he continued his travels to the Italian Riviera at the Hotel Imperiale where he made a lot of pasta under Chef Fabio Brambilla.

Coming back to Boston with a head full of ideas, Dave wanted to chef his own restaurant and, at the age of 24, his aspirations and hard work came together. In 2007 he doubled the size of the restaurant, and authored the cookbook entitled *Thrown Out Of An Italian Kitchen*, which is a recollection of

Danielle Souza

Chef/Owner, Danny's Cheese Bread of Billerica. Danielle was born in Brazil and moved to the United States in 2016 with her husband and 3 children. She began making Cheese bread in her house so she could stay at home and take care of her young children.

Cheese Bread is one of the most recognizable Brazilian snacks, made in a healthy way for the whole family.

In 2019, Danny's Cheese Bread was opened in Billerica at 326 Salem Road. All her cheese bread products are made with love in the onsite kitchen. Soon you will be able to purchase Danielle's cheese bread products in a few local grocery stores. Stay tuned!

CUI has an opportunity to secure a federal grant for 80% of the purchase price of a building for our Head Start Program. In order to qualify, CUI must raise 20% of the purchase price. We plan to make this opportunity a reality.

We hope to safeguard our ability to stay local in Waltham, where rents are rising every year, threatening our ability to stay near the families who need us **most**. A permanent center close to our families allows us to offer a stable future in the
